\*If you are unable to provide proof for a child, please let us know.

## **Why do we ask for this information?**

Proof of Address is used to verify where you live and where the food will be going to. Households are permitted to shop once a week at The River. We track when a household (unique address) shops to ensure households aren't shopping more frequently.

Proof of Household Size is used to determine how much food one household can take. The limits are as follows:

1-2 people: 12 lbs. of non-perishables, 2 points for meat, 2 points for dairy

3-4 people: 18 lbs. of non-perishables, 4 points for meat, 4 points for dairy

5+ people: 24 lbs. of non-perishables, 6 points for meat, 6 points for dairy

Once registered, it is important to bring your white registration card with you EACH time. It is also important to update us with any household changes.
